GEORGES RIVER COLLEGE - OATLEY CAMPUS STUDENT DRIVING and CAR POLICY

Many senior students drive to and from school. Senior students may also request permission to drive a car during school hours or to and from school related venues e.g. Sport, excursion, TAFE. We are happy to approve this as long as we know the student's parents are aware and the student accepts the responsibility to be a careful driver.

No passengers are to be carried unless a letter has been received from that student's parents stating that they give permission for their son or daughter to drive with a friend and that they accept all responsibility.

Breaking this rule or irresponsible driving will mean immediate loss of driving privileges. The school immediately notifies parents if a student driver or passenger acts irresponsibly or endangers the lives of others.
