Major Works And Projects

A number of HSC courses require projects, major works and performances that are to be submitted prior to the HSC written examination period. These may be marked internally by the school or externally by the NSW Education Standards Authority (NESA).

We recommend you study a maximum of two courses due to the demands on your time in Year 12.

Courses offered at Oatley Senior Campus that require an earlier examination or submission of work include:

Course		
Aboriginal Studies	Major Project	The Major Project is worth 40% of the internal assessment. Students should begin their Major Project in the first term of their HSC year (Term 4, Year 11) and they should be completed by the end of the second term of their HSC year. Parents may refer to the Stage 6 Aboriginal Studies syllabus > <i>Course Requirements</i> for more information about the major project and support document.
Dance	Core and Major Study practical examination	All practical examinations are held in Term 3, usually in August. The components examined are: core and major study performance, core and major study composition and major study dance and technology. Core and Major Study Appreciation components are examined in the main HSC examination period.
Design and Technology	Major Design Project (MDP)	Students develop an MDP (project and 80 A4 page folio), which they may start at the beginning of their HSC course. The MDP contributes 60% of the HSC Assessment component and is assessed by NESA in mid August. Parents may refer to the Stage 6 Design and Technology syllabus > <i>Assessment and Reporting in Design and Technology Stage 6</i> .
Drama	Practical examination	All students have a practical examination commencing in August for Group Performance. During this time individual project performance is also examined. Submitted projects are due at this time as well. Refer to NESA for the latest information on dates for HSC examinations.
English Extension 2	Major Work	English Extension 2 (only completed in the HSC year) requires a Major Work which is detailed in the Major Work Module of the English syllabus. Components of the internal assessment tasks are: a viva voce, literature review, critique of creative process. The Major Work product is assessed externally. A Major Work Journal must also be maintained and submitted with the Major Work due mid term 3.
Industrial Technology	Major Project	Students develop an individual Major Work and an 80 A4 page portfolio which they start at the beginning of their HSC Course. The Major Project contributes 60% of the HSC Assessment component and is submitted to NESA for marking mid-August. Parents may refer to the Stage 6 Industrial Technology syllabus > <i>Assessment and Reporting in Design and Technology Stage 6</i> .
Languages	Speaking and Listening examinations	Most HSC examinations for languages include speaking components as part of the external statewide examinations. All speaking examinations are held prior to the main HSC examination period, usually at the end of Term 3.

Course		
Languages and Literature Courses		There is no external statewide speaking examination. The listening examination is part of the written examination and is held in the main HSC examination period. NESAs has further information.
Languages: Beginners		Speaking examinations are held prior to the main HSC examination period. Listening examinations are part of the written examination held during the main HSC examination period. NESAs has further information.
Languages: Continuers		Speaking examinations are held prior to the main examination period. Listening examinations are part of the written examination held during the main HSC examination period. NESAs has further information.
Music 1, Music 2, Music extension	Practical examinations & submitted works	Practical examinations for all three music courses are held towards the end of Term 3. In addition, submitted works (compositions and musicology essays) are due before the end of Term 3. NESAs has information on submission dates.
Society and Culture	Personal Interest Project (PIP)	The Personal Interest Project (PIP) is worth 40% of the total HSC course mark. It is externally assessed and it is submitted to NESAs in Term 3. The process of the project may be included in the school's internal assessment program. Parents may refer to the Stage 6 Society and Culture Syllabus for more information about the project.
Textiles and Design	Major Textiles Project (MTP)	Students develop an individual Major Textiles Project and 12 A3 page portfolio which they may start at the beginning of their HSC course. The Major Project contributes 50% of the HSC Assessment component and is assessed by NESAs. Parents may refer to the Stage 6 Textiles and Design syllabus > <i>HSC External Examination specifications</i> for more information about the Major Textiles Project and NESAs submission dates.
Visual Arts	Artmaking component: Body of Work	Students are required to submit a body of work in one or more of the expressive forms (drawing, painting, printmaking, graphic design, photography, digital media, sculpture, ceramics, textile and fibre, designed objects and environments, film, video, digital animation, documented forms, performance works and interactives). The body of the work is worth 50% of the total HSC Course mark. It is externally assessed and it is submitted to NESAs by early September. Refer to NESAs for further information on submission dates. The development of the body of work is included in the school's internal assessment program. Parents can refer to the Stage 6 Visual Arts syllabus.
