### **BYOD Student Responsibilities**

# Operating system and anti-virus:

Students must ensure they have a legal and licensed version of a supported operating system and of software. If applicable, students' devices must be equipped with anti-virus software.

# NSW Department of Education and Communities' Wi-Fi network connection only:

Student devices are only permitted to connect to the department's Wi-Fi network while at school. There is no cost for this service.

# Battery life and charging:

Students must ensure they bring their device to school fully charged for the entire school day. No charging equipment will be supplied by the school.

### Theft and damage:

Students are responsible for securing and protecting their devices at school. Any loss or damage to a device is not the responsibility of the school or the Department.

### **Confiscation:**

Students' devices may be confiscated if the school has reasonable grounds to suspect that a device contains data which breaches the BYOD Student Agreement.

# Maintenance and support:

Students are solely responsible for the maintenance and upkeep of their devices.

# **Ergonomics:**

Students should ensure they are comfortable using their device during the school day particularly in relation to screen size, sturdy keyboard etc.

### Data back-up:

Students are responsible for backing-up their own data and should ensure this is done regularly.

### Insurance/warranty:

Students and their parents/caregivers are responsible for arranging their own insurance and should be aware of the warranty conditions for the device.
