

In 2014, all GRC campuses implemented The GRC Way.

The GRC Way is our implementation of Positive Behaviour for Learning.

The GRC Way is based on the three core values that are common across the College:

- Respect
- Responsibility
- Excellence

GRC Oatley Senior Campus has its own behaviour expectations matrix and reward/merit system to meet the needs of our senior students.

Here at GRC Oatley, we will be explicitly teaching the core values and expectations throughout Year 11 Tutorials and Year 12 Mentoring. The GRC Way Oatley Campus Expectations Matrix will provide staff with a scaffold to reference in their interactions with students to reinforce the values which we expect students to demonstrate.

See the following pages for the The GRC Way Expectations Matrix.
